Presidents Notes:

Hello Eagles,

The holiday season is upon us and the black Friday shopping is in full swing I hope that you all had a great thanksgiving and are recovering from the turkey coma. We have some exciting things coming up, the Christmas for kids will be December 17 and following we will have a hunger jam with Bobby Randall starting it off.

There will be a New Year's Eve party again this year we will have more information coming on this as soon as the plans are all finalized.

We can always use help with these events and with the Friday fish fries, if you can help one Friday a month please let the trustees know, we can all work together to make the club successful and fun to be around.

Hello everyone,

*I hope you all had a happy and safe Thanksgiving.
As always it saddens us all about Bill Albee, deepest prayers and condolences to the Albee family from the bottom of our hearts.*

It is that time of year again when the holidays are upon us and we can use any help we can get from any of our members.

We of course have our Fish Fry's on Fridays to our Christmas party and New Year's party and we can use any help we can get. So please step up and give a hand. Everything we do is to help someone else so thank you in advance for all of your help and support.

*Thank You and Happy Holidays
Jim Bartlett*

EAGLE RIDER NEWS:

Howdy

It's that time year when everyone has that kind and great feeling of giving and I always look forward to the Christmas specials and this wonderful time of the year, I wish that everyone keep the men and women of the services in their thoughts and prayers over this hard time of the year for them to be deployed. This year has been a good year for riding I still have not put my bike up hoping for one more day to ride before the snow really hits us.

Those of you riders that head south I hope you are riding safe and I'm jealous of you all but have fun and we will see you in the spring.

You all get the work done on them scooters so that they will be ready when this spring comes in March.
