Presidents Notes:

Hi Eagles,

I hope that everyone has had a great Christmas and got everything they needed,

The club had a Christmas party that wasn't attended as we had expected, if there isn't any interest in the club doing these extra activities we may have to stop trying. We go to a lot work to make these happen for the members and when they are not attended it takes the momentum out of the members that are taking the time to set them up.

The next event coming up is the New Year's Eve part at the club with the Jack Parks band playing that night plus prime rib dinner and games will be a great time come out and have fun with the officers and other club members.

The first hunger jam we had brought in a lot of food that we donated to the Memorial Presbyterian church there was enough to fill a grocery basket and they passed it out to family's that where in need.

Thanks to all that were able to help them out.

We still can use some volunteers to help with fish fry on Friday nights it only takes a few hours to do this.

From the Trustees:

Season's Greetings to everyone. I hope all your holidays were great. I would like to thank everyone who helped with making things run as smooth as possible this past year.

We of course have new faces behind the bar and thanks to all the staff and volunteers who helped.

I cannot express how it helps the club you belong to, to make from day to day to the outlook of a new year.

We lost several members this past year and they will certainly be missed.

Please see what you can do to help and I hope everyone has a blessed upcoming year.

Thanks everyone,

Jim Bartlett

JACK OF SPADES!

So far the Jack of Spades has not been picked.

The jackpot continues to grow each week.

Stop in and get your tickets! \$1 each!

If your ticket is drawn and you don not turn over the jack of Spades,

You will still win a cash prize, depending on your card!

EAGLE RIDER NEWS:

Merry Christmas Eagle Riders,

I hope that you all got the parts and the accessory's that you want to add to your bikes during the off season, before we get to go riding again.

Make sure that you keep the batteries charged it will be riding time in a couple of months and for you guys that are in a warmer climate and able to still ride be careful out there and see you in the spring.
