Presidents Notes:

Hello Eagles,

We are off to a good start for to New Year, we had the New Year's Eve party and it was a lot of fun, if you were not there you missed a great time the event organizers put on a wonderful event, thank you all for doing it

We are up and running the fish fry and need some volunteers to do the frying there are three Fridays a month that we need help with, there is a sing up sheet in the club and you can stop by and pick out the date that you will be able to help.

There will not be a Valentine's dance this year, due to lack of interest.

I have heard of some scuttle butt going around the social room and wanted to take a minute and remind everyone of the Obligation they took when they became members:

When you feel there is just cause for censure, go to the person themselves and tell them of their failing-do not aid in exposing their weakness to the curiosity and contempt of others. By your actions, urge them to better efforts; do not discourage and embitter them by the attitude "I am holier than thou", for is there one among us without fault? One of the finest traits of a human character is a sense of justice. If you have wronged a person in any way, you should remember that it is only a noble nature that frankly admits and error, and that seeks the earliest opportunity to make amends.

Our motto is " if I cannot speak well of an Eagle than I will not speak ill of him"
