President's Notes:

Hi Eagles,

First, I would like to address the newspaper article I'm sure everyone has seen about our Heath inspection. They said in the article that we had a pest infestation. The pests they were talking about were fruit flies that somehow where in the drains which have been taken care of with a long term solution. The second part referred to not dating things correctly. When we pull something out of the freezer we need to date it with the date we pulled it out, not leave on it the date it was frozen. There were also some outdated chips (which has happened before because we don't use them fast enough). With the changing of bartenders it seems the Trustees are always training and things like changing a date got missed. The Trustees have addressed all of the issues that where in the report and are doing a great job at putting practices in place so that these things will not happen again. The newspaper was only half informed of what the issues were and as usual, didn't do their research to give the whole story.

We had the election on Tuesday, May 23, and there are some new officers around the club. Please make sure to welcome them when you see them.

We are going to do the spring cleanup on June 11 at 10:00 a.m. We can always use help to get the club looking its best and make the repairs that need to be done. We have several projects to work on and everyone is asked to help. The more people we have, the faster it gets done.

The State convention will be at Valley Plaza on June 16-18 and all Eagle members are welcome. Cost is \$25 for the weekend.

For all members with bikes there is a Memorial Run out of Clare Eagles on the 27th. I will be leaving the Sanford Eagles at 11 if you want to ride up with me, otherwise I would suggest the people that want to go meet at the Midland Eagles and ride up. If you left around 11:30 that would give you time.

Midland Eagles will be closed Memorial Day!

From the Eagle Riders:

Eagle Riders,

Well it is trying to become summer so that we can get out there and put some miles on the bikes, woo hoo! We had a good time at Denise's party and the ride was pretty good. Also there was 5 bikes that rode and we put about 100 miles or so.

The Clare Memorial ride is this weekend and we should show our support for the brothers over there. They help us out a lot on the Luv ride. It's always a good ride and fun time too.

We are meeting on the first Tuesday of the month, it is open to all Eagle Riders. If there is anyone that rides and are an Eagle member in good standing and wants to join the Eagle Riders, get with Tim Cohee or any other Eagle rider and we can get started.

We will be doing the backpack ride again. This year it will be for the B.A.C.A. (Bikers Against Child Abuse). It is still at TCC Communications and there will be more info as we develop the ride. This was a lot of fun last year handing out the backpacks to the kids. If you were there you know what a good feeling it was to be a part of this. If you were not there then make it this year and see how much fun it is to see the look on the kids' faces when they receive the backpack from you. The ride will be the first Sunday in August, the day after the Teddy Bear run from Great Lakes Harley Davidson.

Eagle Rider President Tim Cohee
