President's Notes:

Hello Eagles,

Summer is coming to an end and the club still has a couple events coming up, such as the Luv ride on August 12, 2017. You can come out and give support to the Cancer Services of Midland County. That is where the money that we raise goes. You don't have to ride a bike to attend this event. It is open to all vehicles so you can come out and bid on the silent auction items and have some dinner with us too.

Check the events on the calendar to see what else we are planning for the remainder of the summer and support the club.

The club is still looking for a couple of officers. We have 300 members and there has got to be someone that would like to make the club successful and fill the open positions. Please contact one of the officers and we can explain what is needed and what is involved in the positions.

I believe that the trustees will be starting the fish fry's after Labor Day and will need to get members to volunteer to help with the cooking. It is only a few hours on a Friday night so if you are interested please notify the trustees and they will get you signed up on the date that you want.

*Thanks.

TRUSTEE CORNER:

The end of summer in Michigan is not that far off. It is time to think about an end of the season party for your golf league, ball team, or other summer events. The Hall at the club has openings for this fall. Hall rental is very inexpensive and is available to members as well as the public. Call or stop in for details.

Your club has experienced some maintenance issues over the summer. We have some roof problems, air conditioning problems, and issues with our refrigeration units. In addition to these unexpected expenditures, we are still struggling to pay our property taxes. How can you help? Stop in and use your club. Volunteer when possible. Get your friends to become members. Attend any of the several monthly events. Give us suggestions on how we can improve your club. And of course, donations are always appreciated and needed.

***Mike Hickey
Trustee***

From the Eagle Riders:

Eagle Riders,

We are getting to the Luv ride and are still in need of some silent auction stuff so please stop by different companies and ask for a donation to the silent auction. It's not too late, please help out with this.

This is the big event for the Midland Eagle Riders and it would be great to have all the Eagle Riders in attendance to help show support of the group and to help this be the best ride ever for our fallen Sister Denise Dehn.

I have been updating the Facebook page with rides as I find them and for everyone to get the last rides in before the season ends. It is coming fast so get them in as much as possible and if you need someone to ride with, let the rest of us know and I'm sure one of us will ride with you. I'm always looking to ride and don't care where, just want to ride.
