## President's Notes:

*Hello Eagles,*

*We have had several events, some better than others.  
These events to help bring some extra revenue into the club.*

*We are still not getting very good turn out from the membership and we  
officers have tried to do different things to make the club successful, but  
without membership participation it will not support itself and we may  
have to take other measures to eliminate the debt the club is in.*

*Sorry to have to put this out there but we have asked for help and we  
can't get enough interest in filling all the officer spots so we are running  
out of options.*

*Tim Cohee, President*
