President's Notes:

Hello Eagles,

The fall is supposed to be hitting us soon the weather man keeps saying, but it's hard to believe with all the beautiful days we have been having. I for one have been on the bike as much as I can to get all the riding in before the winter hits us and that nasty snow falls; yuck! For those of you that are snow birds and are heading to somewhere warm, I wish you safe travels and we will see you next year.

The fish fries are in full swing and we will need help again this year. Get someone together and come out to help with the fish fry. It is only 4 hours of your time on a Friday night. There is a signup sheet to make sure that you get the days that you want and others can have the other times. This is just a little way to give back to your club and help it be as successful as it can with little effort. You can even stay and sing your favorite song with Karaoke Lady or Whiskey Willie – it's always a good time.

There will be a Halloween party so look for the information on the calendar. If you haven't been to one of the Halloween parties you need to come out and see all the wonderful and creative costumes other members come up with. Dress up for a chance to win prizes for the best and most creative costume. There will be fun games to play as well and there is always a great time had by all that attend.

We had a great turn out for the fix on the roof! We could get the job done in 3 hours and that is because so many came to help. Thank you all that showed up and brought your tools. I would like to give a big thanks to Mark Fetterolf for keeping on top of it and getting all angles covered.

Remember to visit the club for a meal once a week and that will help the club stay solvent. We do have lunch specials all week so check the website for what they are. Thanks for the support to keep our club a nice place to come and have a meal and drink.

Tim Cohee

From your Vice President:

Hello fellow Eagles,

I hope that you and your families are well, and that everyone has been enjoying the extended summer weather we've been having. I would also like to challenge every member to help our club in increasing its membership. A strong membership base makes for a stronger club. Our membership has been gradually increasing, but I know that we can build it much faster if everyone does their part to help it grow. There are many ways to help that cost nothing more than a small amount of time and effort. "Like" and "follow" the Midland Eagles 2110 page on Facebook, and Share the club's posts on your own timeline. Especially posts for our Friday night Fish Dinners, Eagle Rider events, the upcoming Bazaar, special musical events, musical guests, and even our regularly occurring musical events like Open Mic Night and Karaoke. Bring in family and friends for a beverage and a bite to eat, and encourage them to join, or to bring in friends of their own. Remind people that we have a hall that is perfect for meetings, birthdays, retirements, bridal/baby showers, and parties, at a rental rate that is hard to beat. Take a little pride in our club and spread the word people! We offer a casual, friendly atmosphere, where people can gather to have a drink and talk, play pool, watch sports on TV, play the juke box, or play the odds on Keno, Pull Tabs, or any other Michigan Lottery game. Increasing our member base would also provide us larger pool to recruit from for Officer and Trustee positions. The Secretary position still needs to be filled, and it is critical to the continued existence of our club that this happens. This is a paid position; so if you know of any reliable individuals who might be interested, please speak to one of the Officers or Trustees. We are all members of this club, and everyone has an equal voice. If you have any thoughts or ideas about how to attract more members, please share them. Remind people too that the public is welcome at our club. Share any ideas you may have about special events or game nights that we could add to the calendar to try and bring in more business, and hopefully members, to the club. Thank you for your attention and I hope to see you at the club.

From the Eagle Riders:

Eagle Riders I hope that this finds you all well and enjoying this great weather. I know that I have been getting all the riding in I can before the snow flies.

The count on the Luv Ride has come back and we will be able to give \$2500 to Cancer Services of Midland County and \$2500 to Camp Centaur. It was another successful year with the ride and I would like to thank everyone that made it such a rewarding event. Without every one of you it would not be the awesome entity it is. This year was the last ride as the Luv Ride and next year we will be having the Denise Dehn Memorial Ride for Kids with Cancer. All you riders have safe travels and watch out for the other people.
