President's Notes:

Hi Eagles,

Have a safe new years and I will see you around in 2018.

Tim Cohee President

From your VP:

*Hello Eagles members and guests,
I hope that the New Year finds you and your family well. As you make your 2018 resolutions to lose weight, or quit smoking, or exercise more, I would like to challenge each of you to add another resolution that's easy to keep. Let each of us strive to make the world a little better place than it is. I'm not asking anyone to go out and cure cancer, but feel free to because that would be great if you did. I'm challenging all of us to take advantage of the little opportunities that present themselves every day, that allow us to be a better person. Do something nice for a total stranger, hold a door for someone or allow someone ahead of you in line. Give a smile and a compliment to someone you don't know. The news feeds are so full of death, destruction, and human misery every day, that it becomes easy to believe that nothing you do can make a difference; but it really can. A few Hydrogen and Oxygen atoms by themselves are too small to see, but if you put enough of them together, you get an ocean! The same can be said for small, random acts of kindness. The small things we do to make others feel better may not seem like much on their own, but just like those tiny little atoms, if you put enough of them together, they can change the world!

From the Eagle Riders:

***Hello Eagle Riders,
I hope everyone is staying warm and got your bikes tucked in for the winter.
I have already started to receive ride flyers for 2018 and will put up on the Facebook site after the first of the year.
Look forward to seeing the new parts you got for your bikes for Christmas when the snow melts.
Please be safe on New Year's and see you all next year.***
