President's Notes:

Hi Eagles,

Spring is coming! With days in the 60's it will be here very soon, and I for one can't wait to get my bike on the road.

We have been active at the club with Shawn Cohee bringing in some local talent that has been good for the bottom line of the club, so when you see her, thank her for her hard work.

With all the great activities going on we have been able to pay the taxes before the due date and without asking the membership to donate. Thanks to all the officers that have been giving a hand with every event that has happened in the last few months; from sitting at the door during battle of the band nights to doing the fish fry's and driving for the Moon Snow Run. These current officers have stepped up and are doing whatever needs to be done. Thank you all and great job being leaders!

Stop in on St. Patty's Day and have a green drink. It will be a fun time for you and know that everyone is Irish on that day.

With summer's warm weather coming I would like to remind the membership that we have a fire pit and horseshoes for everyone to use, so come in and have a drink and play some horseshoes.

*Fraternally,
Tim Cohee, President*

Hi Eagle Riders,

I know it is getting to be that time, the weather is breaking and I'm so getting the itch to get my bike out.

As you get your bikes out remember to ride safe and watch for everyone else. As you know, cars will not be looking for you especially at this time of year when we are just getting started. First meeting is April 2, mark your calendars. See you all then, ride safe.

THE SALVATION ARMY

Dear Adopt A Family Sponsor,

Around December 25th you may frequently be implored to “keep the Christmas spirit alive all year long.” When I was a kid I often thought, *You know, I would, if only someone would remind me!*

So here is your reminder. Not to give gifts like its Christmas, or be nice for the sake of getting some, but to have joy. To be thoughtful. To be kind to others, and to keep those who are less fortunate in your hearts, prayers, and your deeds.

Looking back on Christmas 2017, there are so many things I am grateful for. Such as the volunteers who assisted me in registering Midland’s families in need, and those who danced and pranced in our gym as elves, shopping with a parent to give them a Christmas. I am thankful for the volunteers who spent their time, energy, and gas money on picking up the toys and coats donated around town to us, and bringing them to our corps. I am especially thankful for you, as you are one of over a hundred families/groups that adopted a family for Christmas. These deeds, these works, these toils, are more than just gestures. They are more than we could ever afford monetarily, more than we can thank individually, and provided more hope to our community than I can measure. Therefore I would like to thank you. Thank you for your spending your time, finances, and emotional energy to adopt a family in need. Thank you for the effort you put in, the smiles you brought to their faces and the love you showered on their souls.

May you keep and feel the Christmas spirit all year long, and may God protect, and adore you and your loved ones.

I look forward to partnering with you for Christmas 2018.

Blessings,

Amanda Coe
