## President's Notes:

*Hi Eagles,*

*Summer, I promise is on the way, I for one am biting at the bit to have some warmth and sunshine.*

*I got my bike out on Monday and got a little wind therapy in. I headed northeast and somewhere between Harrison and Houghton Lake the air temperature changed fast and of course an hour and a half away my fingers got cold. First time I ever wanted to be home fast and warm, lol.*

*The Entertainment Committee has been doing a great job getting acts into the club that are making the club profits. Kudos to them and Shawn for their hard work.*

*I hear that we will be having a polka band coming to the club on a Sunday afternoon. This will be fun! Make sure to come out and support the club and enjoy this good music. Bring out your loved ones that remember how much fun this entertainment can be.*

*We had our first bon-fire on Saturday, March 17, on St. Pat's day. It was a good night; the club was very busy and the wait staff did an outstanding job! Thank you to all that helped work this event and especially the hard-working bartenders.*

*We have several good and fun events coming up this summer so make sure to print the calendar of events each month so you don't miss any.*

*Tim Cohee, President*

## **A note from your VP:**

***Hello Eagles members and guests!***

***Spring is in the air and we are all anxious to uncover the grills and get back outdoors. Don't forget to stop by the club and reward yourself with a beverage and a bite to eat after a long day of spring cleaning. I would like to say a heartfelt thank you to everyone who has stepped up and helped with our fish fry nights. They have been a big success this year thanks to all of you. Remember to bring your friends and family in and get them signed up for membership. Let's all work together to get our numbers back up. Our music events have also been very successful these past few months and have done well for the club. We are planning a huge, summer music fest this year, and details will follow as they become available. Be safe and enjoy the warmer weather!***

***Thank you for your attention and enjoy the club!***

## **From the Eagle Riders:**

***Eagle Riders,***

***Remember that your first meeting is April 3 at 7.  
We have some folks that want to become members to help build are ranks.  
Summer is quickly approaching so make sure to do a safety inspection on your bikes before you take off. Always keep safety first to have a fun and full riding season.***

***We are going to be helping a group who will be doing the first ride out of the club on June 2. We will be planning the ride for them and giving advice; the proceeds will be for Relay for Life. Look forward to seeing you all after this long winter and getting back to scooting.***
