## President's Notes:

*Hi Eagles,*

*The spring is really fighting with mother nature. It wants to show up but she is keeping it out, hopefully we will see it soon before it is Fall again. There are a lot of amazing events planned this summer at the Club for everybody to enjoy. We are working on putting together a Corn Hole tournament which will be open to all. This is a fun time and a way to meet other members, especially all the new members we have had join in the past couple years. We are also planning a music jam this summer that will be a ton of bands and many other festive things happening that day.*

*Cinco de Mayo is May 5 and we will have burrito specials that day. They are awesome so stop out and enjoy one and maybe a Margarita.*

*There is also a painting class that is being put on. If any members are interested in something like this, look further in the newsletter and you will find all the details.*

*The elections of the new officers is coming up so if you have someone that is a member and wants to get involved with helping to keep the Club's daily activities going, please nominate them for an office. Nomination sheets are hanging in the Club.*

*The Club is doing well and can always do better. We are operating in the black and this is due to the great line of officers working together to make every effort a great one. Please let them know that they have been doing a good job! Thanks! (continued on next page)*

## **A note from your Vice President:**

**Hello Eagles members and guests,**

**I would like to start off with a personal, “Thank you!!!” to Sali Reynolds and Duane Schwab for attending the District 12 meeting with me at the Gladwin Eagles #3292, on April 22. The other Aeries of District 12 are excited to see Midland #2110 back in the meeting rotation, and I would like to see more of our officers and members stepping up to attend these meetings. This is especially beneficial for our officers to be able to speak with our counterparts from other clubs to share knowledge and ideas. The next District 12 meeting is at Eagles #3541 in Harrison, on May 20. Please plan to attend.**

**Here at home, we have exciting events coming up as well. There is a painting class on May 24 and seating is limited, so sign up while there are still seats available. We are hosting a Remedy Ride on June 2, with all proceeds to benefit Relay For Life.**

**As always, I’m again asking each of you to do your part to grow our membership. I have signed up or reenrolled 12 members in the first four months of this year, and I challenge all of you to do better! If you can do the same or better over the next four months, then your drinks are on me for a night. Game on!  
Thank you for your attention and enjoy the club!**

## **From the Eagle Riders:**

**Eagle Riders.**

**The meetings have started and are the First Tuesday of the month. We will have nominations and vote for new officers at the next meeting May 1<sup>st</sup>, please come to vote in the new officers.**

**We need to start planning the Denise Dehn Memorial ride. This takes a lot of work as many of you know and we need to get on top of it right away to keep it from getting stressful.**

**We have the Remedy ride for Relay for life coming up on June 2. Our part is to plan the ride and then lead it. I have been working with them to show them how we do these. This will be their first time doing anything like this and will need our help. If you are able to be here to support them please do so. It will be a benefit to our Club if it turns out to be something that they want to continue to do in the future.**

**I have been able to get out and put around 360 miles on so far this year and I definitely plan a lot more. I hope to see many of you out there buzzing around with me. Always remember to watch out for the others and come home safe.**

**If anyone has rides that they are wanting to do or are interested in, paste them on the Facebook page for the rest of us to see and maybe we can get a group together to ride.**

**Always look twice they may not.  
Ride Safe**
