President's Notes:

*Hello fellow Eagles,
Congratulations to all our new and returning officers and thank you for stepping up to help our club! I would especially like to thank Tim Cohee for his years of service as President of Midland Aerie 2110! Tim stepped into a difficult position during a tumultuous time and was instrumental in getting the club to where we are today. We have a great group of enthusiastic, motivated officers and I'm excited about the direction the club is heading. I would like to offer a very special Thank You to the hardest working people in our club, the bartending staff! They are on the front lines every day, opening and closing the club, cleaning the club, stocking the coolers, preparing tasty meals, making sure everyone always has a refreshing beverage, and dealing with a lot of the day to day things that keep us going. No matter how busy or stressed out they get, they still keep a smile on their face and make everyone who comes in feel welcome, so please thank them for all that they do.*

I'm proud to say that the District 12 meeting attendance plaque has finally come back home to Midland 2110! Thank You to the 11 members and officers who attended the D12 meeting in Harrison last month, and I hope to see even more of us at the next D12 meeting which will be July 15th at the Albright Shores Eagles #3655.

Cornhole tournaments are starting this month. It's a really great time, so come on out, Mondays at 6:00 pm.

We are continuing to gain more new members every month. Welcome and thank you for joining to all the new members! Bring your friends, family, and co-workers in to check out the club and fill out an application. Let's make the Midland Eagles the new "place to be" in Midland!

Thank you for your attention and enjoy the club!

Jr Past Worthy President:

Hello Eagles,

I would like to thank you all for the support I have been given over the last three years as President of this club. With the help of all the officers that stuck it out with me we have been able to put the club on a better path then it was three years ago.

I know with our members support the new officers will be able to continue the forward momentum and make our club great. There is a full line of officers this year! Many members stepped up to help and they all want to make the club succeed, make sure to welcome them when you see them.

Again, thanks for all the support over my time as President.

Tim Cohee, Junior Past Worthy President

From the Eagle Riders:

Ride on Eagle Riders,

The season has finally hit us and I have put about 3000 miles on my bike. It is such a great feeling to have wind therapy.

I hope that everyone else is getting the ride time in as well, the weather has been good for it.

We will have the Remedy Ride on June 2 out of our club - kick stands up at 11.
