Midland, MI

Hours: Monday – Saturday 11-10
Sunday 12-9

President's Notes:

Hello fellow Eagles,

June 1st marked the beginning of our 2018-2019 fiscal year, and I'm very pleased with where we are after the 2017-2018 fiscal year. Everyone should have paid their annual dues by May 31st. If you haven't paid your dues by July 15th, the Member Management System will automatically drop you, and you will have to re-enroll.

We had some big music events which brought in good crowds and gained us some new, younger members. Our Friday Fish Nights were a huge success last year, due in part to the addition of Sali Reynold's wonderful baked cod recipe to the menu. Other local organizations even tried to copy us on that, but none could match it. I am very proud of the volunteerism that we saw in 2017-2018! We had a lot of new members really step up to help wherever needed, whether in the kitchen and social room, or helping with events, or in maintaining our building to keep it functional and inviting for our members and guests.

The next District 12 meeting is July 15th, 2:00 pm, at Albright Shores 3655, and as always, dinner is included after the meeting. Please plan to attend and let's keep that attendance plaque on our wall. For fiscal 2017-2018, the Grand Aerie set a goal for all local Aeries of a +2% Net Gain in membership. I am extremely proud to announce that Midland 2110 exceeded that goal! This may not seem like much, but in a time when many clubs are reporting negative gains each month, exceeding +2% is a huge accomplishment. In recognition of this, we received a beautiful clock from the Grand Aerie which is on the wall by the patio door. Great job everyone, and let's keep that forward momentum! At this year's State Convention, June 14-16, in Midland, I received a check from the State Aerie for being one of the top producers of new members in the state, and so can you. It's free money just for signing people up!

Steve Sobolewski
President

From Your VP

Hello my fellow Midland Eagles,

What an exciting Summer Time!

With our continued events and social gatherings, we are very much involved in our local community and growing, as acknowledged and awarded by the recent State Aerie Conference. I would like to praise our attending volunteers, as they served the unexpected amount of State Eagle visitors. We received vast amounts of complements regarding the exemplary service, quality food, etc. Great job to all.

We are consistently adding to our membership, along with well-attended entertainment days and nights; congratulations to all involved. Thank you to all the volunteers and all those who work above-and-beyond.

The 'Membership Committee' continues to strive to encourage our existing members to introduce new applicants to our organization. Our 'Entertainment Committee' endeavors to attract people to our first class venue.

All the best as our summer months continue,

Brian Winton

Worthy Vice-President

Midland Eagles #2110

Our Trustees have been very busy with doing a lot of maintenance around the club. They had to install a new air conditioner in the kitchen as our old one has not been working for quite a while.

Steak night Wednesday's and Corn Hole Monday's are going well, stop in and check it out!

Please check the web site and Facebook page for updates on events and specials as they are in the planning stages.

A big "Thank You" to Gary Voss for making new burners for our gas grill.

Also, a big "Thank You" to Nick Durfee for volunteering to cook steaks on steak night!!

"WELCOME" TO OUR NEW MEMBERS!!!

From the Eagle Riders:

Hello Eagle Riders,

The riding season is here and everyone must be getting a lot of riding in, I haven't heard from many of you.

We need new riders if we are to survive. If you ride and want to become part of a good cause, please get with Tim Cohee, Shawn Cohee, or Mike Dineen to get more information. Any Eagle member in good standing can join.

We are still planning the Denise Dehn Memorial Ride (formerly the Luv Ride) on August 18. We will need help from any member of the club, anyone can help. The proceeds go to kids with cancer either through the cancer services of Midland County or to Camp Centaur, also here in Midland county.

Make sure to inspect your bikes for safety and always ride safe and alert of the vehicles on the road.

I would like to thank the officers of Midland Eagles 2110 that came together to help me get new rubber on my bike to make it safer for Shawn and me. Big thanks, you guys are the best!

Midland Eagle Riders 2110
