President's Notes:

Hello members and guests,

Please join me in congratulating Nick Durfee on being elected to the office of Worthy Vice President on October 23! Since becoming a member of our Aerie, Nick has really stepped in to help the club by cooking for Steak Nights, Fish Frys, Exchange Club nights, and Line Dancing nights. Nick is very enthusiastic and excited about filling the office of WVP, and I'm sure we will continue to see good things and outstanding volunteerism from him in the future.

Sadly, we did not bring home the attendance trophy from the District 12 meeting at Clare 3977 on October 21. Congratulations to Mt. Pleasant 4463 for the win. I would like to thank Ted Oliver and Stas' & Annette Sobolewski for continuing to make it out to the meetings in support of Midland 2110. The next D12 meeting is at Secord Lake 4121 on November 11. There won't be another District meeting until March of 2019, so let's get that plaque back!

As always, we appreciate any time that people can give to help with Friday Fish Frys and any other events that we have going on at the club. Membership! Membership! Membership! Bring in your family, friends, and co-workers and encourage them to fill out an application. Don't forget about the For Those Who Serve program, which allows veterans, active or retired police, fire fighters, EMTs, and corrections officers to get their first year of membership free!

*Fraternally yours,
Steve Sobolewski
Worthy President
Midland Eagles 2110*

From the Eagle Riders:

Hello Eagle Riders,

Thanks to all who came out to the appreciation lunch. We had a nice turn out with some good food. We presented a check to Camp Centaur for \$1000 and one to Cancer Services for \$1200. This is possible through the help that we get with the Denise Dehn ride and all the donations that we received through everyone's generosity. A BIG THANKS to all that helped!

We had our last meeting the first Tuesday of October and we will be dark until the first Tuesday in March.

To all of you that will be traveling to warmer climates this winter, travel safe and Godspeed. Have a good Thanksgiving and I will see you all in March for another great riding year.
