President's Notes:

Hi Eagles,

Hello members and guests

I hope that the holidays are finding you and your families well. Merry Christmas to everyone and a Happy New Year! Please be careful as you travel to spend time with friends and family, especially if the weather is bad. It's better to arrive a little late than to not arrive at all. Watch out for deer and especially for other drivers.

Don't forget that we have adopted two local families for Christmas this year. Family wishes are on a sharing tree at the Club. Let's pull together to brighten the holiday for these families and their children. Remember, the F.O.E. is "People Helping People".

Thank you Lisa Brown, Tim Cohee, Jim Farless, Bill Oliver, Ted Oliver, Dave & Char Reed, Duane & Peg Schwab and Stas' & Annette Sobolewski, for making the trip to Secord Lake 4121 for the District 12 meeting on November 11! Thanks to you the attendance plaque is back in Midland for the winter. There won't be another District meeting until March 17, 2019, at Hale 4217. Congratulations Annette Sobolewski on becoming the new District 12 Outside Guard on the Aerie side of the District!

Great job to everyone who helped or participated with the bazaar and the music event November 10. These events are always more successful when members step up and get involved!

We are still always looking for volunteers to help with Friday Fish Fry. Whether you can help for an hour, or for four hours, all help is greatly appreciated!

*Fraternaly yours,
Steve Sobolewski

From the Eagle Riders:

Hello Eagle Riders and Members,

Well the snow has moved in to Michigan and I was lucky enough to have put my bike in storage on Sunday the 25th just before it started to snow. It was a brisk ride for sure, but I still enjoyed it being the last one of 2018.

I hope that everyone had a great Thanksgiving and was able to spend quality time with family and friends, remembering what to be thankful for. I know that I got my fill of turkey, as always, I had to be rolled out in a turkey coma, lol.

I'm sure that I will not be writing another message before Christmas so everyone have a great Christmas and may you get all the Harley parts you wish for (or whatever kind of bike you ride.)

We have an adopt a family at the Club and need food and presents to make their Christmas a little better, so please remember the reason for the season and help fill the baskets up and make it the best time for those families.

Stay warm and have a great winter season.

Fraternally yours,

Tim Cohee Eagle Rider Midland #2110 President

Trustee Notes:

Please note the Club hours of operation during the holidays. We will be closed December 24, 25, and 31 (New Year's Eve). We will also be closed January 1, 2019.

Thinking about a holiday party or a large family get together? Consider renting our hall. It is very affordable, convenient, and we offer several different venues. We still have many dates available.

We are considering several changes for your Club during the New Year. We are looking at modifying our menu, expanding our beverage selection, updating the facilities, and bringing in more and/or different types of entertainment. If you have any suggestions please let us know. Your feedback is always welcome.

We wish you all Happy Holidays.
