Mother's Day Info:

For more than a century, the second Sunday in May has been set aside to honor mothers everywhere - and it all started with a push from the Fraternal Order of Eagles. On February 7, 1904, Fraternal Order of Eagles Past Grand Worthy President Frank E. Hering made a public plea to recognize mothers everywhere. A decade later, President Woodrow Wilson signed a proclamation making Mother's Day a reality.

The achievement remains one of the most significant milestones in the history of the organization. From preparing brunch to buying cards and flowers, the spirit of Hering and the F.O.E. lives on through our actions each Mother's Day.

While the F.O.E. continues to celebrate and take pride in the creation of Mother's Day, many citizens are unaware of the organization's work toward making the holiday a reality.

Hering, a faculty member at the University of Notre Dame, found inspiration for the holiday when he stumbled upon a classroom of students preparing postcards to send home to their mothers. The generous task inspired him to create a day specifically for honoring and recognizing mothers.

Serving as Grand Worthy President in 1909 and 1911, Hering used his position of influence to spread his idea for Mother's Day. Soon the enthusiasm swelled throughout the organization and Eagles across the country were eager to see their dream become a reality.

Aeries began hosting their own celebrations to honor mothers and finally their hard work paid off as President Wilson designated May 10, 1914, the first Mother's Day. Several organizations have stepped forward in an attempt to take credit for the holiday, but documented evidence shows that Hering – and the Eagles – were the true founders of Mother's Day.

In 1925, the Society of War Mothers introduced Hering as "The Father of Mother's Day" before an audience of Congressmen at the Tomb of the Unknown Soldier cementing his legacy – and that of the Eagles – as the founder of Mother's Day.

As we celebrate another Mother's Day more than 100 years after Wilson officially recognized the Eagles' work, we ask citizens everywhere to honor the important women in their lives and remember the passion and dedication an organization shared with the world to make it all possible.

Sunday, April 28 is scheduled for a Club cleaning day! Please stop out and help as much as you can. Just an hour or two will be greatly appreciated!!!

From the Eagle Riders:

Hello Eagle Riders of 2110,

We had our first meeting on March 5. There were 5 of us in attendance, enough officers to open. We discussed what we want to accomplish this year with the Denise Dehn memorial ride and that we need to start to put the event information together so that we can make it a successful year for the donation that we give to our charities.

We will be having nominations for officers coming up in May. Anyone that wants to be an officer can be nominated and voted in. There are some open positions that need to be filled.

Here is a list for the bike nights from 98.5

All Eagles can join the Eagle Riders. Just come to a meeting the first Tuesday of the month @ 7 p.m.
