JR. PAST WORTHY PRESIDENT'S NOTES:

My Fellow Eagles,

The Michigan Eagles State Convention was held June 9-12 at the Valley Plaza Resort in Midland. It was great to once again be able to come together with other Eagles from across the State to celebrate our Fraternalism. I want to express my deepest gratitude and thanks to Evan Fryzelka and Kim Zullo for joining me in representing Midland 2110 at the convention, and for their support with the District 12 hospitality suite!

I am also VERY pleased to announce that we brought home two new plaques from the convention. Out of the 120 Eagles clubs in Michigan, Midland 2110 was #2 in the State for NET Gain by members, and #3 in the State for NET Gain by percentage! This is a great testament to the dedication of all our members who have worked so hard to make our club successful. From our officers and staff, to our members who have brought in

new members, and our new members who have in turn brought in other new members, we should all be very proud of this achievement! Let's all work together to grow our membership even more so that we can become #1 in the State next year!

The July District 12 meeting is at Secord Lake 4121 on the 18th July. We had 13 members present at the meeting in May; let's do even better in July. This is also the first meeting of the new District Year, so let's make sure we start the year out by taking the first spot on the new attendance plaque!

We lost our member and friend, LeRoy (Lee) Schember, on June 6.

You will be missed Brother! Please add his family to your prayers.

Fraternally yours,

Steve Sobolewski

WORTHY PRESIDENT'S NOTES:

My Fellow Eagles,

June has been a month of activity here at the Midland Eagles, and I can't wait to see what July holds in store for us!

This past month's State Aerie conference was a huge success, and it offered the opportunity for several of our state officers to participate in the Midland Aerie officer induction ceremony. In fact, the state officers asked if they could make it an annual tradition to be a part of this honor.

June brought two new Eaglets who were recognized for their volunteer efforts, and we are looking to grow the Midland Eagle's membership to 500 active members this year.

To help us achieve this goal, the Midland Eagles is hosting the First annual Midland Eagles golf outing in August, and we hosted a firework Bonanza thanks to our own VP, Evan Fryzelka, it was a great success and I want to thank everyone that made it out. Great things can happen when Eagles work together! Please have a safe July and look for opportunities to invite your friends to become members and get engaged.

Fraternally,

Clinton McLain

FROM THE EAGLE RIDERS:

Hello Eagle Riders and Midland 2110 members,

The riding season is in full swing and unfortunately, I have not had a lot of time to ride. I hope everyone else is getting full use of their bikes and enjoying the freedom of the open road.

The Mackinaw City ride was one hell of a good time, I really hope they continue it. It was sad to hear of the person that was hit on the bridge and would like all riders to keep his family in your thoughts and prayers if you could.

The next event is the HOG rally in the UP that will take place in the end of July, if you are a member you should go, it is a good time and very nice riding up there. The next meeting will be Tuesday July 16th at 7 PM.

If any member is planning a ride or just wants to get out for a little spin please keep the rest of the group in the loop as they may want to join you and are not sure how to ask. As of now you should all know that we decided to cancel the Denise Dehn ride as the planning was falling through with everyone just starting to rebuild after last year. We will make next time the best ride ever.

I have been putting rides on the Midland Eagle Riders Facebook page. Join the group to get this information as I update every chance I get.

Ride safe,

Tim Cohee,

Midland 2110 Eagle Rider
President
