PRESIDENT'S REPORT:

Good Day Fellow Eagles!

As most of you probably know, on Wednesday June 29th our club hosted a fireworks show that was open to the public. I am at a loss for words when it comes to expressing my gratitude for all of the work that our officers and members have done over the past month and especially on that night in order to make it a success.

For the past year I have been planning and preparing for this night. Most of my preparations consisted of trying to raise enough money in order to buy the fireworks needed for the show as well as accumulating the necessary infrastructure pieces to make that happen. We were fortunate enough to have a group of generous members who donated the necessary funds in order to make the fireworks happen. At that point I thought that the mission had been accomplished. But, a couple of months ago, when I thought that we were in the home stretch of finalizing plans for the show, Diane Pnacek decided that we needed to form a committee in order to make plans for food and other additions to the evening. I originally entertained this proposal because I generally do like to invite participation in any club event. I was, however, a little skeptical about just how much this last minute committee could actually contribute to the event.

What happened on Wednesday June 29th, was the most humbling example of teamwork that I have ever witnessed. As I circled around the club that evening, I saw Rich LeViere scrambling to serve hot dogs and hamburgers, Steve Pnacek slaved over the grill for several hours, Jim Pilgrim and Diane Pnacek dutifully maned a table at the door selling raffle tickets and checking membership cards, Char Reed was so wonderful and gracious putting temporary tattoos on the kids, and Kevin VanMeter and Steve Pnacek helped me set up the fireworks and continued to help with reloading and teardown throughout the night. The night before that, Heather Shanteau was meticulously scribing our signs for parking and seating. By the time the fireworks started, it became clear just how small my part was in the whole event. I know that the fireworks were supposed to be the headline event of the night, but to me, everyone being together and being able to present ourselves well to the public was the best part of the night. And I have that little, last minute, fireworks committee comprised of Diane Pnacek, Julie Caren, Lisa Brown, and Heather Shanteau to thank for that.

On top of all of that, the next day, I showed up to the club to cleanup all of the debris and garbage as I had last year. When I got there, Julie Caren had already beaten me to it. She was there with her kids scouring the hill. By the time I showed up, they were pretty much finished. Without having to ask, you guys make things so easy for me. I hate to sound like a broken record, but, I really do appreciate you all!

Thank you also to Rich LeViere, Steve Pnacek, Steve Sobolewski, Clinton McLain, Jim Pilgrim, Kevin VanMeter, and Bill Church for everything you have done to make this night a success!

I cannot emphasize enough just how much the success of this night was possible because of all of your work. I thank you all from the bottom of my heart. This is why I am an Eagle!

Sincerely,
Evan Fryzelka
Worthy President

We will be recognizing them in our regular Aerie Meetings and in this monthly report, with their permission.

FROM THE EAGLE RIDERS:

Hello Eagle Riders and members of Midland Eagles 2110,

The riding season is here and in full force; and I hope everyone is being safe and watching out for those people that don't pay attention to the motorcycles.

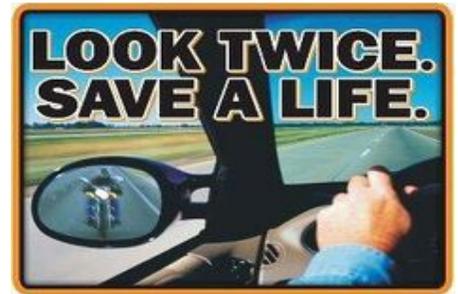

The Eagle Riders have chosen to take a hiatus as no members have been showing up for the meetings.

We will plan on a meeting for the first Tuesday in August, I would hope to see the members there for further discussions on where we want the Eagle Riders to go from here and into the future.

All Eagle member and Riders be safe and have a great summer.

Remember to visit the other Eagles clubs!

Tim Cohee
Midland Eagle Riders President

DISTRICT REPORT

My Fellow Eagles,

Julie Caren and I attended the Michigan Eagles State Convention last month and had a great time. Thank you to everyone from District 12 who helped with the hospitality room! Congratulations to Shianne Bowers of Midland 2110 for being the 35th highest producer of new members in the State for the 2021-2022 Fraternal Year! Considering that there are over 55,000 members in Michigan, being number 35 is a great accomplishment. Great job, Shianne!

The first District meeting of the 2022-2023 Fraternal Year will be held at Albright Shores 3655 on 17 July. Midland 2110 only had 7 members present at the last meeting. Let's do better starting off the new year and take that first spot on the new attendance plaque!

Fraternally yours,

Steve Sobolewski
Trustee, Midland Eagles 2110 / Chairman, District 12

They are also still accepting hole sponsors and raffle item donations. If you want to participate but you're not a golfer, we are still in need of several volunteers that day as well. Any help is appreciated, contact Shianne for more info 989-205-7595.

MEMBERS' SPOTLIGHT

Evan Fryzelka for the Awesome Fireworks Display! Also thanks to Lisa Brown, Julie Caren, Diane Pnacek, and Heather Shanteau for coordinating the pre-fireworks party. Many more thanks to Evan Fryzelka, Steve Sobolewski, and Julie Caren for donating the raffles helping to fund the Fireworks Event as well as all the private donors. Steve Pnacek and Rich LeViere manned the kitchen, Char Reed attached temporary tattoos, Rebekah Strike sold popsicles, Jim Pilgrim helped check Membership cards and sold raffle tickets at the front door, and Heather Shanteau made the signs. Heather and Steve Sobolewski walked around and did all the little things nobody else was doing. Kevin VanMeter and Steve Pnacek helped light the fireworks. This event would not have happened without all the cooperation of a great team!

Tony Orange for mowing the lawn and Tony and Mary Beth Orange for all the beautiful flowers they purchase and maintain for our club. The landscaping is lovely.

Shianne Bowers for being 35th in the State for recruiting new members into the Eagles for the 2021-2022 Fraternal year! Way to go, Shianne!
