

Due to unforeseen circumstances, there will be no official Newsletter for October. But there are some things that need to be reported, so I am sending them in an email.

EAGLE RIDERS REPORT

Hello Eagle Riders and Midland Eagle members.

Riding season is just about over and of course I always feel like I missed out on some great riding with work obligations. I'm sure you all understand, ha ha.

We will have the last meeting of the year on October 4 at 7pm. The members that showed up at the last meeting voted to keep going another year.

We had some nice young ladies agree to find donations for the ride next year so we will be having it for Kids with Cancer. We will still need members to help the day of the ride though.

Every member that rides is eligible to join the Eagle Riders and can do so at any meeting which is the first Tuesday of the month April to October.

Take care and be safe.

Tim Cohee Eagle Riders President

MISSING TABLES

In preparation for our 19th Annual Bazaar and Craft Show, we realized there are several missing tables. If you have borrowed tables, could you please return as soon as possible. We need all of our tables to make this year's Bazaar event a success.

SIGNS NEEDED

We are looking for someone who can make us some larger signs to advertise our Bazaar and Craft Show at the corners of Monroe and Jefferson, Eastman, and Sturgeon. The signs would need to be big enough to be visible from the corners, weather proof, and able to be put in the ground if it is frozen. Our initial thought is a tripod type, but it wind is a concern. Are there any talented people in our club who would be willing to help? Please contact Lisa Brown at 989-859-2518 or Diane Pnacek at 989-259-6620.
