From the Worthy President:

Hard to believe that it is November already. I want to say thanks to everyone who came to our Members Event. We had fantastic food and fun night of bingo and trivia!

Thanks so much to all who helped to make it a great evening. Hope to have more events like this in the future.

Your Worthy President, Sandy Maier

From the Trustees:

A big Shout out to everyone who came out for Member Appreciation Day! It was wonderful to see so many familiar faces enjoying good food, fun, and fellowship. Thanks to Ted Oliver for donating the sloppy joes and to everyone who brought sides, everything was delicious.

Thanks to all who donated to our Scrap Metal Drive Thanks to your generosity, we raised funds that will help us keep up with the club's bills and ongoing needs.

We also want you to know — we're listening! The suggestion box has been full of great ideas, and we're working hard to make some of them happen. One big project on our list is the parking lot, and we could really use your help. If you have materials, equipment, or time to donate toward fixing it, please reach out — every bit helps!

We continue to bring in entertainment and events for our members, but remember — they can only succeed with your support and attendance. So come out, have a good time, and enjoy all your club has to offer!

We will have 2 Fish Fry Friday's in November, on the 7th and the 21st!

And as always, let's live by the Eagles' motto:

"If I cannot speak well of an Eagle, I will not speak ill of him."

Fraternaly yours,
Your Trustees

From the Worthy Chaplin:

Please inform Missy Trudell of any illnesses or deaths affecting our members or their immediate families.

REMEMBER: "If I cannot speak well of an Eagle, I will not speak ill of him."

From the Eagle Riders:

Hello Eagle Riders and Midland Eagle members,

We are slowing down for the winter and storing the bikes. Reminder to winterize them with stabilizer fluid and tuck them in nice and warm.

We will be meeting all year long on the first Tuesday of the month.

I've reached out to Sanford about working together in the future to be more active in the community as one big group.

The Eagle Riders will be coming up with some other activities to help the club. We are open to any ideas please feel free to reach out to any Eagles Rider with them or to me Tim Cohee at 989-948-3222.

For members that don't know, if you ride a motorcycle and want to be more active to be an Eagle Riders you only have to be a Eagle in good standing.

Be safe,

Tim Cohee Midland Eagle Riders President
