WORTHY PRESIDENT NEWS

Beginning in July, the Fraternal Order of Eagles will transition to hard membership cards for all members in good standing. Following the annual delinquent member drop on July 11, membership information will be sent to the Grand Aerie's card vendor for printing and mailing.

For the 2026-2027 membership year, both the yellow dues receipt and the new hard membership card will be accepted as proof of membership. Beginning with the 2027-2028 membership year, only the hard membership card will be recognized.

Please ensure that the Aerie has your current mailing address on file so your card can be delivered without delay. Any cards returned as undeliverable will be held by the Aerie until updated information is provided.

The cost of the hard membership cards is being covered by the Grand Aerie. Additional information regarding the use of QR codes and future door entry systems will be shared as it becomes available.

Thank you for your patience and support as we make this transition. **Sandy Maier – Worthy President**

WORTHY CHAPLAIN NEWS

Please say a prayer for the following Members we have lost in 2026: Brian Lincoln and Greg Harrant in March and Billy Laplow in May. If you know of anyone who has died or is very sick, please contact me.

Diane Pnacek – Worthy Chaplain

TRUSTEE NEWS

This year, we have expanded from five trustees to seven trustees. This will help distribute responsibilities more evenly and allow us to better serve our membership. Please bear with us as we settle into our new roles and routines.

We are discontinuing the drink chip program. If you have any drink chips, please redeem them by August 31.

Please note that the club will be closed on July 4 and July 5 so that our employees can enjoy the holiday weekend with their families.

Our bartenders, cooks, and volunteers work hard to make the club an enjoyable place for everyone. We appreciate their dedication and encourage members to show their appreciation through kindness and gratuities.

And remember our Eagles motto: **"If I cannot speak well of an Eagle, I will not speak ill of him."**

Lisa Brown on behalf of Trustees

EAGLE RIDERS NEWS

Hello Eagle Riders and Midland Eagle Members: I hope all Riders are getting their rides in weather permitting. You all know how short the riding season is, so get out and ride often.

Keep checking the Facebook page for updates on rides and bike nights. I update often when I get the information. There are a couple bike nights coming up. Thursday the 27th 98.5 is at Pressure Crack in Houghton Lake. Monday the 29th is at Sanford American Legion at 6pm.

It is always good to do an inspection on your bike every time you ride. Do a quick visual to check tire wear and for oil or other fluid leaks. Here is some information about checking your tires. You should replace a motorcycle tire if your tread depth is below the standard legal limit of 1/32 inch (0.8 mm), if your tire is over five years old, if your tire has visible damage, if you notice a change in riding performance, if you have any flat spots on your tires, or if you see tire pressure issues.

Be safe out there and keep your rubber down. **Tim Cohee – Eagle Riders President**

OUR VOLUNTEERS ARE SO SPECIAL TO US!

Sincere thanks to Carrie Florey who has done a marvelous job improving our Bulletin Boards and decorating our seasonal tree. If you haven't seen the changes, it is a good excuse to stop in and take a look.

Also, thanks to Mike Miehke for fixing our fence and doing some maintenance around the patio. It is much appreciated.

These are some of the people who have volunteered their time, effort, and money to help the club be successful and well maintained. If I have left anyone out, please let me know and I will add their names to the next newsletter.

If you would like an opportunity to become more involved in our club, please contact any Board Member or Trustee to express your interest. If you do not know anyone, stop in to the club and leave your name with the bartender. We will help you get more involved!

The 98th anniversary of the Charter for Midland Eagles 2110 was in June! Originally the charter was petitioned on the 16th of May, 1928 under the name Chemical City Aerie 2110. The Charter was accepted by the Grand Aerie on June 23rd, 1928. The original Charter is in the Social Room right above the Guest Book Sign In. Look to see if you recognize any of the original Charter Members just for fun!
