WORTHY PRESIDENT NEWS

Reminder that beginning in July, the Fraternal Order of Eagles will transition to hard membership cards for all members in good standing.

For the 2026-2027 membership year, both the yellow dues receipt and the new hard membership card will be accepted as proof of membership. Beginning with the 2027-2028 membership year, only the hard membership card will be recognized.

Please ensure that the Aerie has your current mailing address on file so your card can be delivered without delay. Any cards returned as undeliverable will be held by the Aerie until updated information is provided.

Thank you for your patience and support as we make this transition. **Sandy Maier – Worthy President**

WORTHY CHAPLAIN NEWS

Please say a prayer for the following Members we have lost in 2026: Brian Lincoln and Greg Harrant in March and Billy Laplow in May. If you know of anyone who has died or is very sick, please contact me.

Diane Pnacek – Worthy Chaplain

TRUSTEE NEWS

As a reminder, we ask all members to please use your membership door card when entering the club. The buzzer is intended for guests and non-members. When members use the buzzer, our bartenders must stop what they're doing to let you in, even during busy times. Using your door card helps our staff provide better service to everyone inside the club. Thank you for your cooperation.

Reminder, we are discontinuing the drink chip program. If you have any drink chips, please redeem them by August 31.

We would also like to extend our sincere appreciation to our bartenders and cooks. Your hard work, dedication, and the many hours you put in to keep our club running smoothly do not go unnoticed. Thank you for everything you do for our members. If any member has an issue with any bartender, please take it to a Trustee!

Finally, let's all continue to make our Aerie a welcoming place by remembering our motto:

"If I cannot speak well of an Eagle, I will not speak ill of him."

A little kindness, respect, and understanding go a long way in making our club a place we're all proud to call home. **Lisa Brown on behalf of Trustees**

EAGLE RIDERS NEWS

Hello Eagle Riders and Midland Eagle members

I hope that everyone is getting out and putting miles on them bikes.

We have a few events coming up in August: Sturgis is on August 8th through the 16th. On August 22nd there is the Sanford American Legion Riders Teddy Bear Ride, and we still need more Teddy Bears donated. There is also a Benefit Ride for Mark Authier, the Past Commander from the Sanford American Legion, who passed away. The event is at Sanford American Legion. Check it out on their Facebook page. Also on the 22nd is the Proud Veterans Ride out of Saginaw. You can find the flyer on the Eagle Rider Facebook page.

Now to keep your bike running its best you need to do some preventive maintenance. (see next page)

Why It's Important to Keep Oil Fresh

When it comes to oil changes, and all scheduled maintenance for that matter, it's not just about keeping the bike in working order, it's about your safety!

Having a properly maintained bike will keep you from getting stranded, causing irreparable damage, or worse, getting injured. Delaying maintenance is never a good idea, so make sure to keep records and set reminders for maintenance in the future.

Different oils can withstand different temperatures for varying amounts of time before they deteriorate, so it is important to know when to change your oil. If an oil change is put off, your engine will reach higher temperatures, and will not run efficiently. Eventually, this will cause components to wear out and potentially break. As oils cycle through high and low temperatures, they break down and become thinner, making them less effective.

Over time as the oil breaks down, metal particles, dirt, and soot cause the fluids to become abrasive which eventually results in sludge. This thick sludge makes it difficult for fluids to lubricate essential parts and protect them from damage.

Be safe out there. **Tim Cohee – Eagle Riders President**

OUR VOLUNTEERS ARE SO SPECIAL TO US!

We would like to offer a special thank you to Diane Woodcock for volunteering her time and equipment every Thursday night for our Karaoke Night and Membership Appreciation Night. This is a huge help to the club to draw in additional members. Come sing with us, and enjoy two hotdogs and chips for \$6 and \$.50 cents off drinks for Members of the Midland club. We have a great time every Thursday. You don't have to sing... you can just laugh at the rest of us. (Some are pretty darn good though!)

Some people volunteer their time, effort, and money to help the club be successful and well maintained. We would love to have new people volunteer and join in all the fun!

If you would like an opportunity to become more involved in our club, please contact any Board Member or Trustee to express your interest. If you do not know anyone, stop in to the club and leave your name with the bartender. We will help you get more involved!

DISTRICT 12 NEWS

There is a District 12 Facebook page to inform you of what other clubs are doing. Check it out in case you are in the area of another club and would like to visit.

Please plan to attend the next District Meeting in Harrison's club on August 16 at 2pm for information on what is happening in the District with a free dinner for attendees. All members in good standing are welcomed! Midland took the attendance trophy from Gladwin's meeting in July. Thanks to all who attended. Carpooling can be arranged for future meetings, just reach out and we will get you a ride.

July Attendees – Sharon and Dennis Stillwell, Sandy Maier, Jim Farless, Ted Oliver, Diane Pnacek, Missy and Rod Trudell and Dave Raymond.
